

ChipMOS TECHNOLOGIES INC.

Communication between Independent Directors and the Company's Internal Auditor Supervisor

1. Policy :
 - (1) ChipMOS Audit Committee is composed of all independent directors. The internal audit supervisor submits the audit and follow-up reports to independent directors for review by the end of the month next following the completion of the audit items, and reports to the Audit Committee on the audit business at least quarterly.
 - (2) The internal audit supervisor communicates with each independent director and discusses the company's internal audit execution status and internal control operation status through email, telephone and meeting.
2. The material communication items as below in 2023.
